

# Unwrapping the Gift of Prayer Step by Step

*Prayer is a gift from God, an open door to a personal relationship with Him.*

**PrayerPower** and EvanTell's **Save the Mother, Save Her Child** are partnering to help you help your staff and volunteers unwrap this gift of prayer—individually and corporately. With our materials and guidance, you can develop a culture of prayer for your Center, a pervasive atmosphere in which God is obviously at work.

Phase One of Unwrapping the Gift of Prayer begins this fall with Save the Mother, Save her Child Pregnancy Centers who sign up to be part of our pilot program. The opportunity for all SMSC Centers will begin in the first quarter of 2015.

**Here is how you may begin now:**

**Step 1: *Praying to Make a Difference***, 8-week video study with workbooks and facilitator guide

Encourage your staff to go through the study in a small group format (they will each need a workbook) or as a self-paced study they can each do by viewing the DVDs online.

More information on the study and how to begin will be available online. Email us for a link to view the videos and order workbooks ([unwrappayer@att.net](mailto:unwrappayer@att.net)).

**Step 2: Prayer Guides**, pocket-sized for convenience

*Mother-to-Be and Her Baby*—to share with your clients

For *Strength in Our Ministry*—for staff and volunteers to pray for your Center's ministry

For *New Life in Christ* (for the Lost)—for staff and volunteers to pray for clients

For the *Overwhelmed*—to share with clients and/or pray for them

For *Guidance in Decisions*—to share with clients and/or pray for them

For information on the effective use of these prayer guides, videos will be available online. Email us for a link to view the videos and to order the prayer guides ([unwrappayer@att.net](mailto:unwrappayer@att.net)).

These steps are just the beginning of a simple-to-implement yet comprehensive program to help your SMSC Center develop a culture of prayer. When this opportunity opens to all SMSC Centers in early 2015, it will be supported by additional prayer resources and online videos. We will also have online inservice training and videos with a focus on unified, effective corporate prayer, building and encouraging intercessors, spiritual warfare, and more.
